**Anastasia Barna**  
*CEO of One World Migration*

*We are an international licensed company specializing in the provision of citizenship and residence permit services.*

*Contact One World Migration and we will be happy to help you achieve your goal!*

«Our work is based on the principle of a personal approach to each client, which allows us to successfully solve the tasks set.

Thanks to our deep knowledge of the migration service market, we offer a wide range of options for obtaining a second citizenship or residence.

We do our best to ensure the safety and protection of our client's interests.

Our success in this industry is based on long-term customer relationships.

We value your trust, and our reputation is important to us, so we strive to become your reliable partner»

## About One World Migration

Since 2016, we have implemented over 800 successful cases.

The One World team constantly monitors updates in the legislation of countries and cooperates with Ministries and Embassies, which makes it possible to select the best and most secure solutions.

## Security and privacy

We do not involve specialists from outside. The preparation of documents and the processing of personal data are localized in the company, thanks to which we ensure confidentiality for our clients. All our managers work under a non-disclosure agreement (NDA).

## Licensed company

We work exclusively with government programs.

## Individual approach

We carefully study each case and develop a step-by-step and tailored plan. Our goal is to bring the client to the desired result. If we consider the task unrealizable, we will immediately inform you about that.

## Follow-up

We provide advice and support in the process of integrating the client into the infrastructure of the chosen country after obtaining citizenship or a residence permit.

# One World Platinum Club

We have created a community of our clients. Regularly, we hold closed events to which we invite government officials and specialists from various industries to provide as much relevant information as possible that interests our clients, such as international taxation, including corporate taxes, diversification of personal capital risks, changes in programs citizenship and residence, etc.
